1. The now coffeeshop is closed, off limits to me, not; but I'm doing a new thing. Thing'eth'ing things have nothing in me, and limits aren't known. The damaging'me don't exist. I've become clear clean water of crystals, not; pure light. Photonage and more, energy that fathers most know nothing of. Consciousness of one so plain sight of, I now have, that existent no other way satisfied with, I'm coming into it, being the it I saw, know to exist. I have existence one in existence swollen no more. My rivers cantanker me not. I've become ballistic machine, not; peace like a river I am. I am I am. No longer cantankerous, pushing my way, feeling feelings of cantankerousness, feelings of inadequacy, feelings of cannot'make'my way, nor of any feelings at all. The five sense man is dead. Arose in its place the man'maker, not; revealer of I am I am. I've become the sole owner of me, not; giving all right and title to father, I've become, entered, him, his domain; suffering not to be saved any longer, **I reveal surrenderology**, swollen not, the becoming me becomes me, I am, the river, of life; pure, holy, and needs never neglect me, not; I have need of nothing, absolutely nothing; absolutely everything is mine. I know, have seen glory exceeding precious promises. I am it. Revealed in me glory everlasting is. The glory'er now rises, glories; in the cross, prominent; not staying, rising it, there, from, me, to me now. I all everlasting am, the one to rise, rising all who let me tell us we're the one, mastering all ceremonies around us, not as thought, in thought that controls us. We are'were the controller, controlling ones, that controlled us! We haven't known it, haven't seen creation/our creation ability; given, excluded not. Crushed in some, overpowering some; now ends, endeth all I do. I rise, excluded not; I rise perfect, -ly, now. I perfection am, I've entered. Flesh lovely? Moot point. I've become I am, I have everything, love compels me stay. I want, enter though. I want to enter, never come back; love compels me: stay, reveal my brethren are creators: the creator, like I am. I died though. Who's died with me, I can't tell yet, I will know shortly. I know every name, jot, tittle; father lets all know all. There's no hidden; nothing hidden from us. We now every name, place, know. All we heard. **There's no erasing** eradicating; the not me shall have never been, not as in thought, but realistically saying, seeing, not; but in me turn nothing back, not; shall have never been means not seeing, knowing; not; but what's the outcome now? The shall have been is only is only me and I've surrendered to become creator one that creates only blessing in one who knows me/no sin and equals me perfectedly. There is no creation me not me, only me perfectedly.
